CONNECTION

ABOUT US

Service cooperatives, and their purchasing program, are an integral part of communities across Minnesota.

Empowered by legislation passed in 1976, eight service cooperatives in Minnesota created the Cooperative Purchasing Connection (CPC) which also serves participating agencies in North and South Dakota.

Please contact vendors directly for more information about their products and to place orders.

On the cover: Scott Wendorff and Monica Thompson stand at a Fellowes Lotus Sit-Stand Workstation, available through the CPC contract with Innovative Office Solutions.

CONVENIENT

As a participating agency, you know and trust the cooperative purchasing program. You know from experience using a CPC contracted vendor saves staff time and resources.

COMPETITIVE

More than 50 vendors provide significant discounts and value on quality products.

COOPERATIVE

CPC's partnered vendors meet the competitive solicitation requirements so you can purchase off contracts without needing to bid on your own. That saves time and money.

Minnesota statute §123A.21 and 471.345 subdivision 15
North Dakota statute §54-40.3 of the North Dakota Century Code
South Dakota statute §5-18A-37

Nationally Bid, Locally Awarded

CPC is a member of AEPA, a 26 state buying group. AEPA contracts are nationally bid then locally awarded by us. Our members benefit from the purchasing power of 26 states!

WE BUILT FOR YOU!

Linda Guenther does all of the ordering at St. Anthony-New Brighton Schools. She highly recommends using Express. With the ability to search multiple sites with one login and password, she gets her work done much faster. And, because she can search multiple vendors on one site, she routinely has great news for the teachers in her district.

“Teachers appreciate I can find them a comparable product and save them money. Especially at the elementary where they are allotted \$100. If I can save them \$20, that’s extra supplies they can order.”
