ABOUT US

Service cooperatives, and their purchasing program, are an integral part of communities across Minnesota, North Dakota and South Dakota.

Empowered by legislation passed in 1976, eight service cooperatives in Minnesota created the Cooperative Purchasing Connection (CPC) which also serves participating agencies in North Dakota, through the North Dakota Educators Service Cooperative (NDESC) and South Dakota.

So what does the data say?

Tri-Valley Opportunity Council conducted a side-by-side study comparison of CPC with other contracts. Not only did we come out ahead on price, we also got top marks for service!

Over the last couple years, we have used Cooperative Purchasing Connection to make some large purchases. We purchased a **school van** because our state bid had expired and I didn't want to wait. We ended up with similar van, and possibly better with added features for the same money. Plus the dealership delivered the van.

We recently used CPC to purchase new gym bleachers. We did our home work ahead of time, and the price we were quoted was very competitive, so our school board went with CPC to purchase gym bleachers. In addition, we'd worked with **Stadium Steve** in the past, so that made our decision easier. I'd recommend looking at CPC, if you are going to make an expensive purchase, they are very competitive."

FROM THE COVER

Nonprofit Senior Services Manager Alicia Berhow was tasked with getting supplies for the Tri-Valley Opportunity Council office. She looked for a service that was streamlined, easy to use for everyday and specialty items, and a good fit for the team as a whole.

After some research she found Express and says, "I love that the program is so easy to use, and you can form it to meet the needs of your company. We have many sites within Minnesota, and it was very easy to get them set up within the program. Ordering is quick, easy and very reliable."

Last year, Tri-Valley Opportunity Council did a 120 day price comparison study and reported that they saved over \$1,000 a month on orders through Cooperative Purchasing Connection. They are moving into a new office location this year and Alicia says they have worked with several CPC vendors who "secured discounts and were great to work with!"

CPC is proud of the service we provided to Alicia. Read the full interview and register for Express at PurchasingConnection.org
