- Most models have 500-lb. weight capacity – ST20 STEAM cart has 400 lb. rating
- Durable powder-coat paint finish in 6 standard colors – custom colors available
- 13-year warranty

The BioFit STEAM Cart

Equipment and learning aids shown not included.

The versatile mobile learning platform created to help educate tomorrow's innovators.

Used to transport resources between classrooms or as a standalone multipurpose activity center, its rugged, kid-friendly construction and flexibility make the BioFit STEAM cart a popular solution in today's most progressive K-12 learning environments and maker spaces alike.
