

## Features & Benefits

PRODUCT CERTIFIED FOR LOW CHEMICAL EMISSIONS: UL.COM/GG UL 2818

- Freight included in pricing
- ¾" MDF tops; stronger than plywood and particle board
- Tops held by tamper-free steel rivets; 25% more holding power than wood screws
- Adjustable Torsion Cap standard on models with seating; enables torque reset to OEM specs
- 13-year, 24.7.365 warranty
- 14-gauge welded steel frame and aprons
- Forearm-friendly ComfortRim™ edge profile
- Food- and bacteria-resistant edges
- Non-marring rubber wheels for smooth and easy handling
- ADA-compliant models available

### Afton™

The uniquely curvaceous shape of this table facilitates user interaction and provides creative floor plan alternatives.

### 10-Seat Oval™

Aids in communication, improves space utilization by seating 20% more students in the same space as a traditional table.

### Avant™

Award-winning, multifaceted shape enhances communication among users and makes a positive design impact.

### 12' Bench Seating

Twelve-foot table accommodates a large number of children and adults. Upright folded height is 79.5".

### The Executive

Twelve-foot table provides comfortable seating for 12 adults and larger students. Space allowance per seat is 24". Upright folded height is 79.5".

### AdapTable™

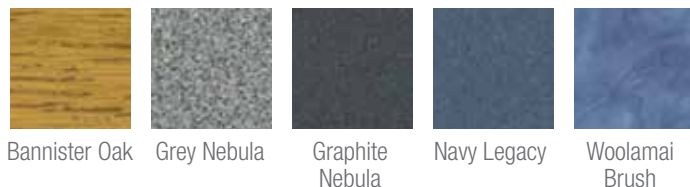

Convertible bench/table provides in-demand flexibility for cafeterias, testing and training areas. Optional magnets enable ganging of two units.
