

## PLANNING FOR SUMMER LEARNING? **We want to help!**

Looking to deliver high-quality, innovative, and **EVIDENCE-BASED** programs?

Need help re-engaging children and addressing **LEARNING LOSS**?

Perhaps you need the latest STEM learning tools to give your camp the **LITTLE SOMETHING EXTRA** you've been looking for?

## **Sound too good to be true?**

Our extensive experience tells us that every out-of-school program comes with unique challenges and goals. That's where we come in!

Our team of former educators utilize our large catalog of hands-on products and curriculum to craft a one-of-a-kind program that fits your needs. From a single product to a total transformative program, **no request is too big or too small**.

Our [out-of-school STEM learning micropub](#) highlights many stories from across the country, where we delivered the resources and support needed to craft successful programs – many of which were funded by ESSER. Your summer learning goals are our priority.
