# WE GET
DEVICE ACCESS.

CDW·G PEOPLE WHO GET IT

The new school year is approaching, and ensuring your students are equipped with the proper devices is essential. Utilizing device lifecycle management, K–12 IT teams are taking proactive steps and creating effective strategies to help their schools with asset management and preserving devices. One proactive step seeing extensive growth is assisting K–12 districts to reduce waste by utilizing e–cycling for student devices nearing the end of their lifespan.
