Product Safety Resources

ACMI: BLICK is a proud member of The Art and Creative Materials Institute (ACMI). We strive to ensure that our products comply with all state and federal labeling regulations.

Safety Data Sheets: Look for the Safety Data Sheet icon in product listings at DickBlick.com. Simply click on the icon to access the SDS information for that product.

Product Safety Labels: Products bearing the AP seal are certified non-toxic by ACMI. By contrast, products bearing the CL or “Caution Label” seal contain ingredients that are toxic or hazardous, but can be used safely with appropriate caution.

More information about safely choosing the right product for your learning space is available at
dickblick.com/learning-resources/product-info/health-safety/

All materials may be purchased from BLICK Art Materials under AEPA contract. Remember to enter promo code **QD20AEP** during checkout.
